Silly Goose, Val

Recommended for children from 3 to 93.

"Truly delightful! Val is comfortable with an audience of all ages and has an uncanny sense of picking the right volunteer from the audience to add to her show. Everyone wanted to dance and sing with Val and her friends Silly Goose, Rufus and the chorus line of Pink Flamingos. We look forward to having Val and Silly Goose back in Gaithersburg."

Mike Rosman Variety Show!

Friday - 18 Nov 2011

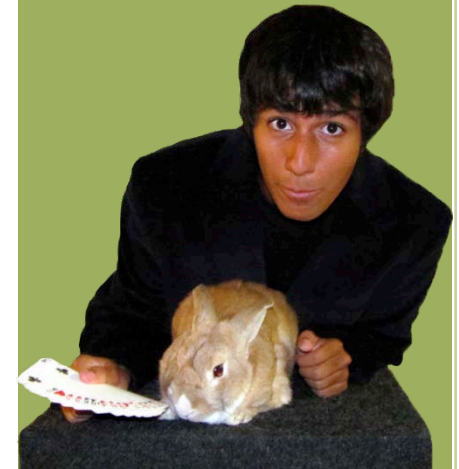

Recommended for children from 4 to 94.

Using a wonderfully balanced and eclectic mix of original comedy, breath taking skills, chaotic klutziness, and audience participation, Michael Rosman surprises, astounds, and moves his audiences to fits of laughter. And, as with all of our performers, he has geared this program especially for our St. James Academy audiences.

Don't miss this well seasoned performer at our beautiful Susan Tucker Moore Theater.
